47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need and want choices and Im not alone in this. Dont take that away from me or from anyone. I support broadband competition and you should, too. NO price hikes!! I dont need my Internet and phone to cost more and I get both services from Sonic, a local provider. Broadband is critical to my home. I need to have it and Sonic provides service at a fair and competitive price. Dont take this away from me!
